

C.A.R.E. Series- Requesting a Shared Plan of Care & Exploring Care Mapping

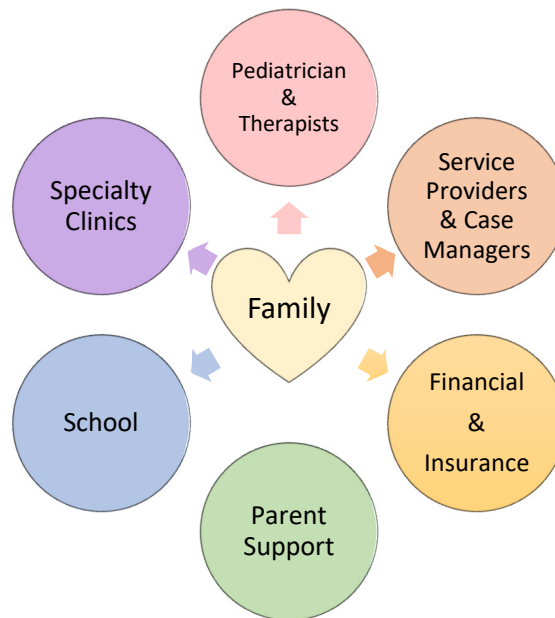

A free workshop for families and caregivers

Tuesday, February 23, 2021 7:30-8:30 PM

Via Zoom video/phone conferencing

Requesting a Shared Plan of Care: Learn more about the benefits of a Shared Plan of Care, which is a summary of your child's medical and non-medical information as well as your family's strengths and goals.

Exploring Care Mapping: Design a care map for your family which will serve to show others at glance. Care Maps can communicate both the big picture and the small details of all of the resources needed to support your child and family.
