

WISCONSIN CPCP

CHILD PSYCHIATRY CONSULTATION PROGRAM

The Wisconsin Child Psychiatry Consultation Program (WI CPCP) is a state- and federally funded program for primary care providers (PCPs) designed to improve mental health care for children and adolescents. WI CPCP offers mental health educational opportunities, consultative support, and resource support from Child Psychiatrists, Pediatric Psychologists, and Resource Coordinators.

CONSULTATION

The WI CPCP team is available to answer questions relating to pediatric mental health by phone or email Monday through Friday, 8 am–5 pm.

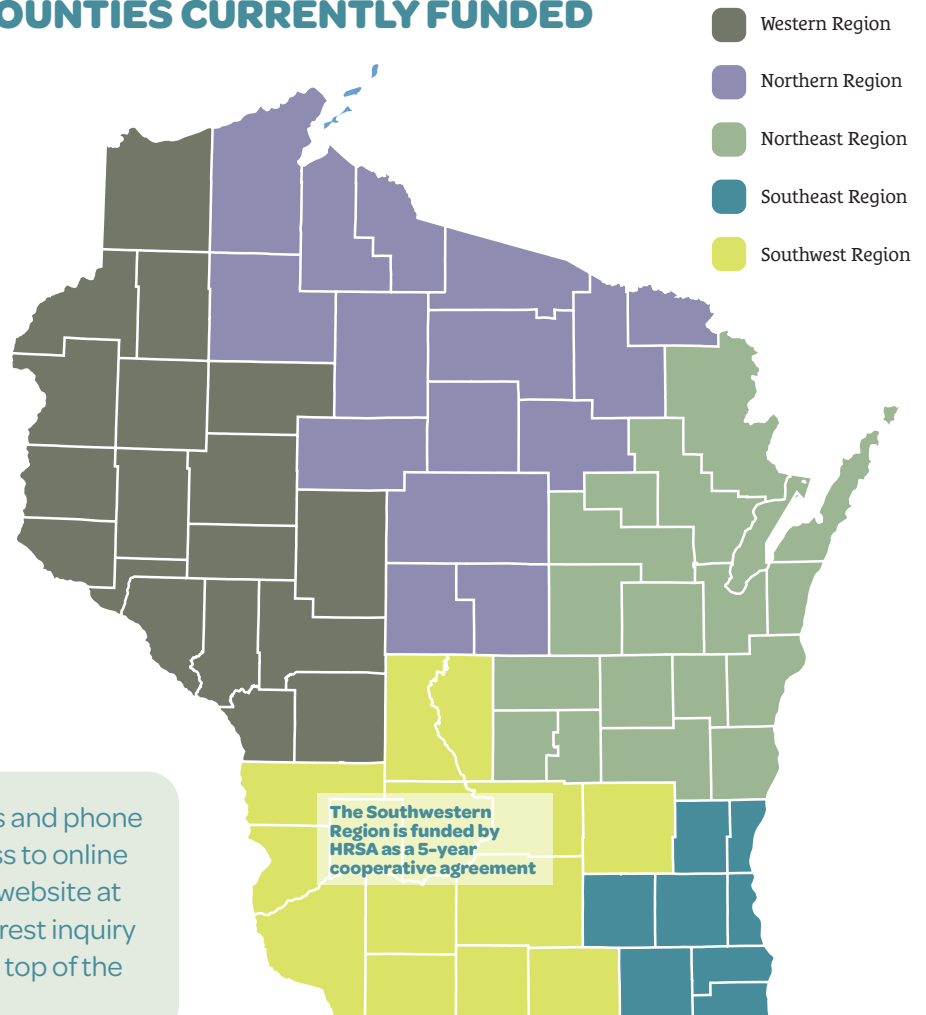

RESOURCE COORDINATION

Resource coordinators provide referral support and information about regional resources.

EDUCATION

The WI CPCP offers CME/CE online education, case discussion and didactic opportunities, and annual mental health conferences.

COUNTIES CURRENTLY FUNDED

To obtain the dedicated email address and phone number for WI CPCP and to gain access to online CE modules, please visit the WI CPCP website at www.wicpcp.org and fill out the interest inquiry survey located on the “Join” tab at the top of the home page.
