

# WHAT'S AFTER HIGH SCHOOL

A Transition Training for Families, Youth and Providers

**What's After High School** is an overview of the transition to adult life for young adults with disabilities and/or special health care needs. This training is most helpful for families with children **ages 14 - 21** and the providers and school staff who work with them. We'll cover:

- Planning for the Future
- Your School's Role
- Long Term Supports
- Vocational Resources
- Moving to Adult Health Care
- Supported Decision Making & Guardianship
- Self Determination Basics
