Join us- two opportunities for families of children with disabilities/ special health care needs

Connect & Share 3-5 PM

Are you struggling to find resources and support including behavioral/ mental health supports? Children's Resource Centers help families navigate services and find the right support for their children.

Connect & Shares are opportunities to:

- Pick up resources and materials that can help with coordinating care.
- Learn about resources that may be available
- Tell us about the assets and resources in your area.
- Connect with other families
- Fidget-making and coloring pages are available for kids while parents chat.

Caring for the Whole Family 5:30-6:45 PM

An opportunity to reflect on the experience of learning that your child is developing differently. Resources and next steps are explored in a supportive environment.
