Guiding Wisconsin families of children and youth with special health care needs

# Family Support Summit

Providing Culturally Responsive Care  
in the Hmong Autism Community

Monday, November 18, 2024

3:30-4:30 PM

Tia Yang Ly is Tiaj has worked with individuals living with autism since 2006. She has her Master of Arts in Psychology and has been a Board-Certified Behavior Analyst (BCBA) since 2018. Tia has experience working with clients from 18 months to 65 years of age in both inpatient and outpatient settings.

This session is designed for professionals in the area who work with Hmong families. Tia will be joining us virtually.

Go to our website more information about other sessions that evening and to register - [crcnorth.org](https://crcnorth.org) or use the QR code.
